Commissioner George Neugent  
25 Ships Way  
Big Pine Key FL. 33043

Dear Commissioner Neugent,

We are developing a project on Sugarloaf Key at the 17 Mile Marker that we refer to as Dolphin Cove. It is a county approved, nine unit affordable housing single development designed for single families. There is a private road on the property that connects to U.S. 1. We thought it would be appropriate to name it "Mosher Drive" to honor Gerald Mosher. Mr. Mosher owned and operated Moe's barber shop in Key West for many years. He is a dedicated husband, father and businessman who has lived in the Keys for over 53 years. Recently Mr. Moe, as we call him, Chris Belland and I celebrated thirty (30) years of partnership in Old Town Key West Development Limited. From his days as a Navy barber to the present he is a man with a demonstrated love of family, friends, and community. He is a true friend of the working people of this community. We feel it would be appropriate to name this street "Mosher Drive".

It is our understanding that the proper procedure is for a commissioner to sponsor a resolution to name the road. We would be honored if you would sponsor such a resolution. I have enclosed the property appraiser's print out of the property. Thank you for your kind attention.

Sincerely,

Edwin O. Swift, III
